EDUCATION

University of Ilorin, Kwara State — Bachelors in Mechanical Engineering

April 2022 - 2026

PROJECTS

Lendsqr website — 2022

Lendsqr website is a landing page which I worked on using it to practice my ability to code.

Flance Landing Page — 2021

Flance is a website for financial investors and freelancers who need insurance, pension, mortgage or loans. I just worked on this just to improve my ability to code and to test my skills.

Certification

Udemy beginners coding class — HTML, CSS and Javascript.

November, 2021.

W3School online coding class — HTML and CSS .

January, 2022.

Altschool Africa — HTML, CSS and Javascript.

SKILLS

Communication: Good at both written and oral communication.

Coding: I can code in both HTML and CSS.

Interests

Reading and software development.

LANGUAGES

English and Yoruba.
